Southern Tier Peace Makers Memorial Fund Grant Application

PURPOSE: The Southern Tier Peace Makers Memorial Fund perpetuates the memory and the efforts of remarkable peace and justice activists who have lived in our community by offering grants that enable others in turn to engage in projects and actions that further these causes.

DETAILS: Small grants, up to \$300, are offered to individuals whose limited financial resources might otherwise prevent them from undertaking a non-violent activity that promotes peace and social justice. Such involvement might include organizing a local event, participating in demonstrations or meetings out of town or taking part in delegations in developing countries. All applications will be considered on a case-by-case basis. We strongly encourage applicants to complete and submit this form at least 30 days before the proposed activity.
